The Charlee Ferrar Memorial Scholarship
Funded by the Isabella & Marcus Foundation

The purpose of the Scholarship is to support research into paediatric **Diffuse Intrinsic Pontine Gliomas**. The successful research student will be known as “The Charlee Ferrar Memorial Scholar”.

**ELIGIBILITY:**
- The scholarship is available to new students
- The scholarship is available to full-time students
- The applicant can be an Australian citizen or permanent resident
- The applicant must be enrolled in a PhD or accepted to enrol
- The applicant may not hold other major Awards (e.g. APA)

**TERM OF AWARD:**
- The Scholarship will be awarded for three years for PhD candidates.
- The scholarship will pay a stipend of $26,496 in 2016, $1,500 laboratory consumables p.a. and $750 conference expenses p.a.
- An extension at the end of the term is allowed with approval of the supervisor and donor
- The scholarship may be suspended for 1 or 2 semesters with permission of the supervisor and GRS
- The offer may not be deferred

**INSTRUCTIONS TO APPLICANTS:**

**Applicant**
The applicant must submit a completed application form, research proposal (as detailed below), their academic transcript and proof they have submitted an application for admission to either UNSW’s PhD.

**Supervisor**
Supervisors must provide a Letter of Support, acknowledging their willingness to supervise the applicant for the duration of their postgraduate research degree and confirming their provision of adequate resources to do so for example space, IT equipment, and research consumables.

**Research Proposal**
Please provide the following (max. 5 pages including references):
- Summary of Project (in plain English)
- Background
- Aims
- Significance of the research
- References

**Checklist**
- Application Form
- Research Proposal (max. 5 pages)
- Curriculum Vitae
